

### Author Declaration and Consent

(To be duly completed, signed, and submitted along with the accepted manuscript)

I/We hereby certify that I/we have made substantial intellectual contributions to the conception and design of the study, acquisition of data, or analysis and interpretation of data, as well as drafting and/or critically revising the manuscript for important intellectual content. I/We take public responsibility for the integrity of the work and consent to have my/our name(s) listed as author(s).

I/We confirm that the manuscript represents original, valid, and ethical scientific work. All authors meet the authorship criteria as defined by the International Committee of Medical Journal Editors (ICMJE). This manuscript, or any part thereof with substantially similar content, has not been published previously and is not under consideration for publication elsewhere, except as clearly stated in the covering letter.

I/We further certify that all data generated or analyzed during the study are included in this manuscript, and no data from the study has been published or will be published separately.

I/We authorize the Corresponding Author to communicate with the editorial office on behalf of all authors, make editorial and technical revisions as requested by the journal, and act as the guarantor of the manuscript.

The article will be published under the [Creative Commons Attribution–NonCommercial–ShareAlike 4.0 International License](https://creativecommons.org/licenses/by-nc-sa/4.0/) (CC BY-NC-SA 4.0).

The signing author accepts responsibility for releasing this material on behalf of all co-authors. This agreement grants REVO Publications a non-exclusive right to reproduce and distribute the article in all forms.

All financial interests, conflicts of interest, and sources of funding related to this work have been disclosed.
